Juno 039;s Darkest Hour Free Download [Torrent]

Original review:Has some metroidvania elements in that you unlock new areas by acquiring new items and thoroughly exploring already visited levels.. Copious amounts of bottomless pits to fall into!Over eight different bosses to defeat with unexpected strategies.. I'd say check it out and give it a try! Game is freaken Brutal, right up there with They bleed pixels and Super meat boy!Deffently a throw back to the nes/GB games.. If he captures and devours all four Essence Spirits, all will be lost... Our only hope lies in Juno, the last free Spirit!Juno's Darkest Hour is a simple but challenging 2D action adventure platformer game inspired by the side-scrollers of the past.. Music is also solid Game is freaken Brutal, right up there with They bleed pixels and Super meat boy!Deffently a throw back to the nes/GB games.. Controls are easy, audio is 8-bit style and the price is deffently right! Hour of gameplay roughly!https://www.. Controls are easy, audio is 8-bit style and the price is deffently right! Quick reflexes and sharp wits will be required to escape and defeat the wizard's minions.. youtube.com/watch?v=j5PjphDLiU Game is freaken Brutal, right up there with They bleed pixels and Super meat boy!Deffently a throw back to the nes/GB games.. Explore the secrets of a vast monochromatic and pixelated world, accompanied by a nostalgia-driven soundtrack..!y/2NNhlyIAbout This GameCanopia is in danger! The lizard wizard Glykon has stolen the world's essence to augment his powers and reshape the land at his will.. Guide little defenseless Juno through the strange and dangerous land of Canopia in order to rescue her friends and put a stop to Glykon's evil plans.. If you quit playing Juno after a few hours, let me encourage you with my experience that the game is much deeper than it first appears and ends quite strongly.

Updated Review:After coming back to beat this game after a break, I've come to the opinion that Juno is much better designed than it needs to be - easily superior to most of the other recent "NES" clones which don't have solid gameplay to back up their retro look.. youtube.com/watch?v=j5PjphDLiU This game is pretty fun, but it is very difficult for me (not that that's a bad thing).
